## Faculty / Instructors

### **De Virgilio Armando**

Professor of Otorhinolaryngology, 'Sapienza' University of Rome, Italy

---

### **Geneid Ahmed**

ENT Surgeon, Laryngologist and Phoniatician, Head of Phoniatics Dpt. Helsinki University Hospital, Finland

---

### **Karagama Yakubu**

MD, DLO, MSc Voice, FRCS (ORL-HN), PGCertMED,  
ENT Surgeon and Laryngologist, Guy's and St Thomas' Hospitals, London, United Kingdom

---

### **Karkos Petros**

MD, PhD, MPhil, AFRCS, FEBORL-HNS(Hon)  
Professor in Otolaryngology, Aristotle University of Thessaloniki, Greece,  
Head of 1st Department of Otolaryngology-Head Neck Surgery, Ahepa University Hospital, Thessaloniki, Greece

---

### **Pataridou Anatoli**

Head and Neck Otolaryngologist - Paediatric ENT, Scientific Associate of Hygeia - MITERA Hospitals, Athens, Greece

---

### **Shiyng Hey**

MB ChB, DO-HNS, PG Dip ClinEd, MFSTEd, FRCS (ORL-HNS), Laryngologist, Guy's and St Thomas' Hospitals, London, United Kingdom

## General Information

### Venue

#### THEORETICAL SESSION 06/12/2024

"N.LOUROS" LECTURE HALL,  
MITERA HOSPITAL

The N. Louros Conference Center is located within MITERA Hospital and can seat up to 140 people. It combines modern facilities, advanced digital technology & holds all scientific meetings and conferences organized by HHG Group Physicians.

Aiming for constant dissemination of knowledge on modern medicine and continuous training, the MITERA and HYGEIA Hospitals organize plenty of seminars and events at the N. Louros Conference Center.

#### HANDS ON SESSION 07/12/2024

The ATT Center is dedicated to practical courses on all ranges of the medical sector, as well as surgical techniques on cadavers. The facility offers surgeons of all medical specialties and nurses the most suitable space and equipment for developing and expanding their medical and surgical experience. The Centre covers 1000 m<sup>2</sup>, has 2 laboratories with a total of 19 working stations, a conference hall located on the second floor that can accommodate up to 100 people and fully equipped separate seminar rooms.

### Official Language

English is the official language of the course. There will be no simultaneous translation.

### Accreditation

The Phonosurgery and Laser Laryngeal Course, Athens, Greece, 06/12/2024-07/10/2021 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with .... European CME credits (ECMEC@s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at [www.ama-assn.org/education/earn-credit-participation-international-activities](http://www.ama-assn.org/education/earn-credit-participation-international-activities).

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME® for ECMEC@s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada

### Secretariat Operating Hours

Friday, 6 December 2024	13:30 - 19:45
Saturday, 7 December 2024	08:30 - 16:00

### Admission Badges

The badge should be worn by all participants and members of the faculty, at all times during the course to monitor their attendance time. Only those wearing their individual badge will be admitted to the theoretical and practical sessions halls.

## General Information

### Certificate of Attendance

Participants can receive their certificate of attendance via email. To receive the certificate of attendance it is mandatory for each participant to complete the evaluation given to them by the secretariat and to show the admission badge. In order for participants to receive the certificate of attendance, they are required to have attended at least 60% of the scientific program, depending on their registration category.

### Climate and Clothing

During December, the temperature in Athens ranges from 0 degrees Celsius to 15 degrees Celsius (0 F to 59 F) and is getting cooler during the nights. The dress code is of individual choice and variable, from casual to sporty, according to personal preference.

### Electrical Supply

Voltage in Greece is 220 V, at a frequency of 50 Hz. Plugs are continental style, two-pin. A plug adaptor should be taken along incompatible electric / electronic gadgets to be used.

### Emergencies

Whilst in Greece, you may seek any help you might need (police, ambulance, fire brigade, coast guard) by ringing the number 112, from anywhere in Greece. The number is answered by English-speaking staff and may be dialed from public telephones or mobile telephones.

Please note, the registration fee does not include medical or any other insurance. In emergency cases, medical services in Greece will be provided at nominal fees, under the National Health Service auspices. However, no transportation to the delegate's home country would be provided.

In case of emergencies, please talk to members of the organizing committee or the course secretariat for immediate attendance.

## Acknowledgments

The organizers would like to thank the following companies that contributed greatly to the success of the **Phonosurgery and Laser Laryngeal Course**
