WELCOME

Dear Colleagues and Friends,

It is my great pleasure to invite you to the **1st Athens International Ocular Oncology Day**, in Athens, on Friday 11th of June 2021, 16.00pm (EEST), organized by the **Ocular Oncology Center Adult and Paediatric of HYGEIA & MITERA Hospitals**.

We look forward to delivering you the highest quality scientific content with the participation of World-Renowned Experts in the field and topics of Ocular Oncology, including Ocular Oncologists, Medical Oncologists, Paediatric Oncologists, Interventional Radiologists and Neurosurgeons.

Discussion with the participation of the attendees will occur in each session.

I hope that this meeting will inspire ideas and discussion on several aspects of Ocular Oncology on Adults & Children, and it would be the beginning of a series of interesting future meetings.

The on-going pandemic forced us to make it virtually this year, but we are all hope for a live meeting next year, where we could all meet safely.

We very much hope that you will be able to join us online.

The registration is Free for all attendees.

I look forward to see many colleagues virtually!

Kind Regards,

Maria Pefkianaki MD MSc MPH PhD FEBO
